### Petition to Revive

Assistant Commissioner for Patents  
Washington, District of Columbia 20231

Dear Sir:

Applicant hereby respectfully petitions that the above application be revived. This application was abandoned due to an unintentional delay in response to an office action.

I have never received the office action and I can only conclude that it was lost in the mail. I became aware of the lost office action and its consequence January 6<sup>th</sup>, 2005, when I instructed my associate, Douglas Cox, to follow-up on the status of the application.

Very Respectfully,

*Thomas D. Merritt*
